

## KS4 Curriculum/ Qualification Offer Overview

The curriculum offered to KS4 pupils will be designed based on the needs of the individual pupils. They will be offered the opportunity to work towards qualifications at an appropriate level for their potential ability, the delivery of which will be differentiated to meet the specific needs of each pupil.

The aim is for all pupils to work towards GCSE qualifications in Core curriculum subjects. They will also be offered the opportunity to gain Entry level qualifications and Functional skills qualifications in English, Maths and Science.

The KS4 curriculum will incorporate the Core curriculum subjects [English, Maths, Science, Computing] as well as PSHCE [Personal, Social, Health and Citizenship education] and RSE [Relationships and Sex Education]. In addition to this, pupils will have the opportunity to select additional subjects to study according to their talents and vocational interests to provide a bespoke education which will provide the foundations for their future vocational aspirations.

Subject	Level of Qualification				
	<p><b>Alternative curriculums offered.</b> <i>To run concurrently with qualification courses</i></p>	<p><b>Entry Levels (Access)</b> <b>1,2,3</b> <i>To run concurrently with GCSE courses</i></p> <p>Please see schemes of work provided in the relevant named zip folders.</p>	<p><b>Level 1 (Intermediate)</b> <i>To run concurrently with GCSE courses</i></p>	<p><b>Level 2 (Intermediate)</b> <i>To run concurrently with GCSE courses</i></p>	<p><b>GCSE grades 1-9</b></p>
